

The Bathroom in our Room

Do we barge into the bath-
room?

We knock.

We listen.

We take our turn.

Do we leave the door
open?

We turn the card.

We shut the door.

We go potty.

Do we peek inside on
others?

We leave the door closed.

We knock.

We wait our turn.

Do we make a mess?

Do we leave a mess?

No! We clean and always
flush!

Do we touch with germy
hands?

We close the door.

We wash our hands.

We use soap and water.

Do we make a mess?

We throw away our trash!

That's how we use the bath-
room in our classroom!

and we always....

remember

to

flush
