

Gingerbread Man Hunt

By Katie Mense
littlekinderwarriors.blogspot.com

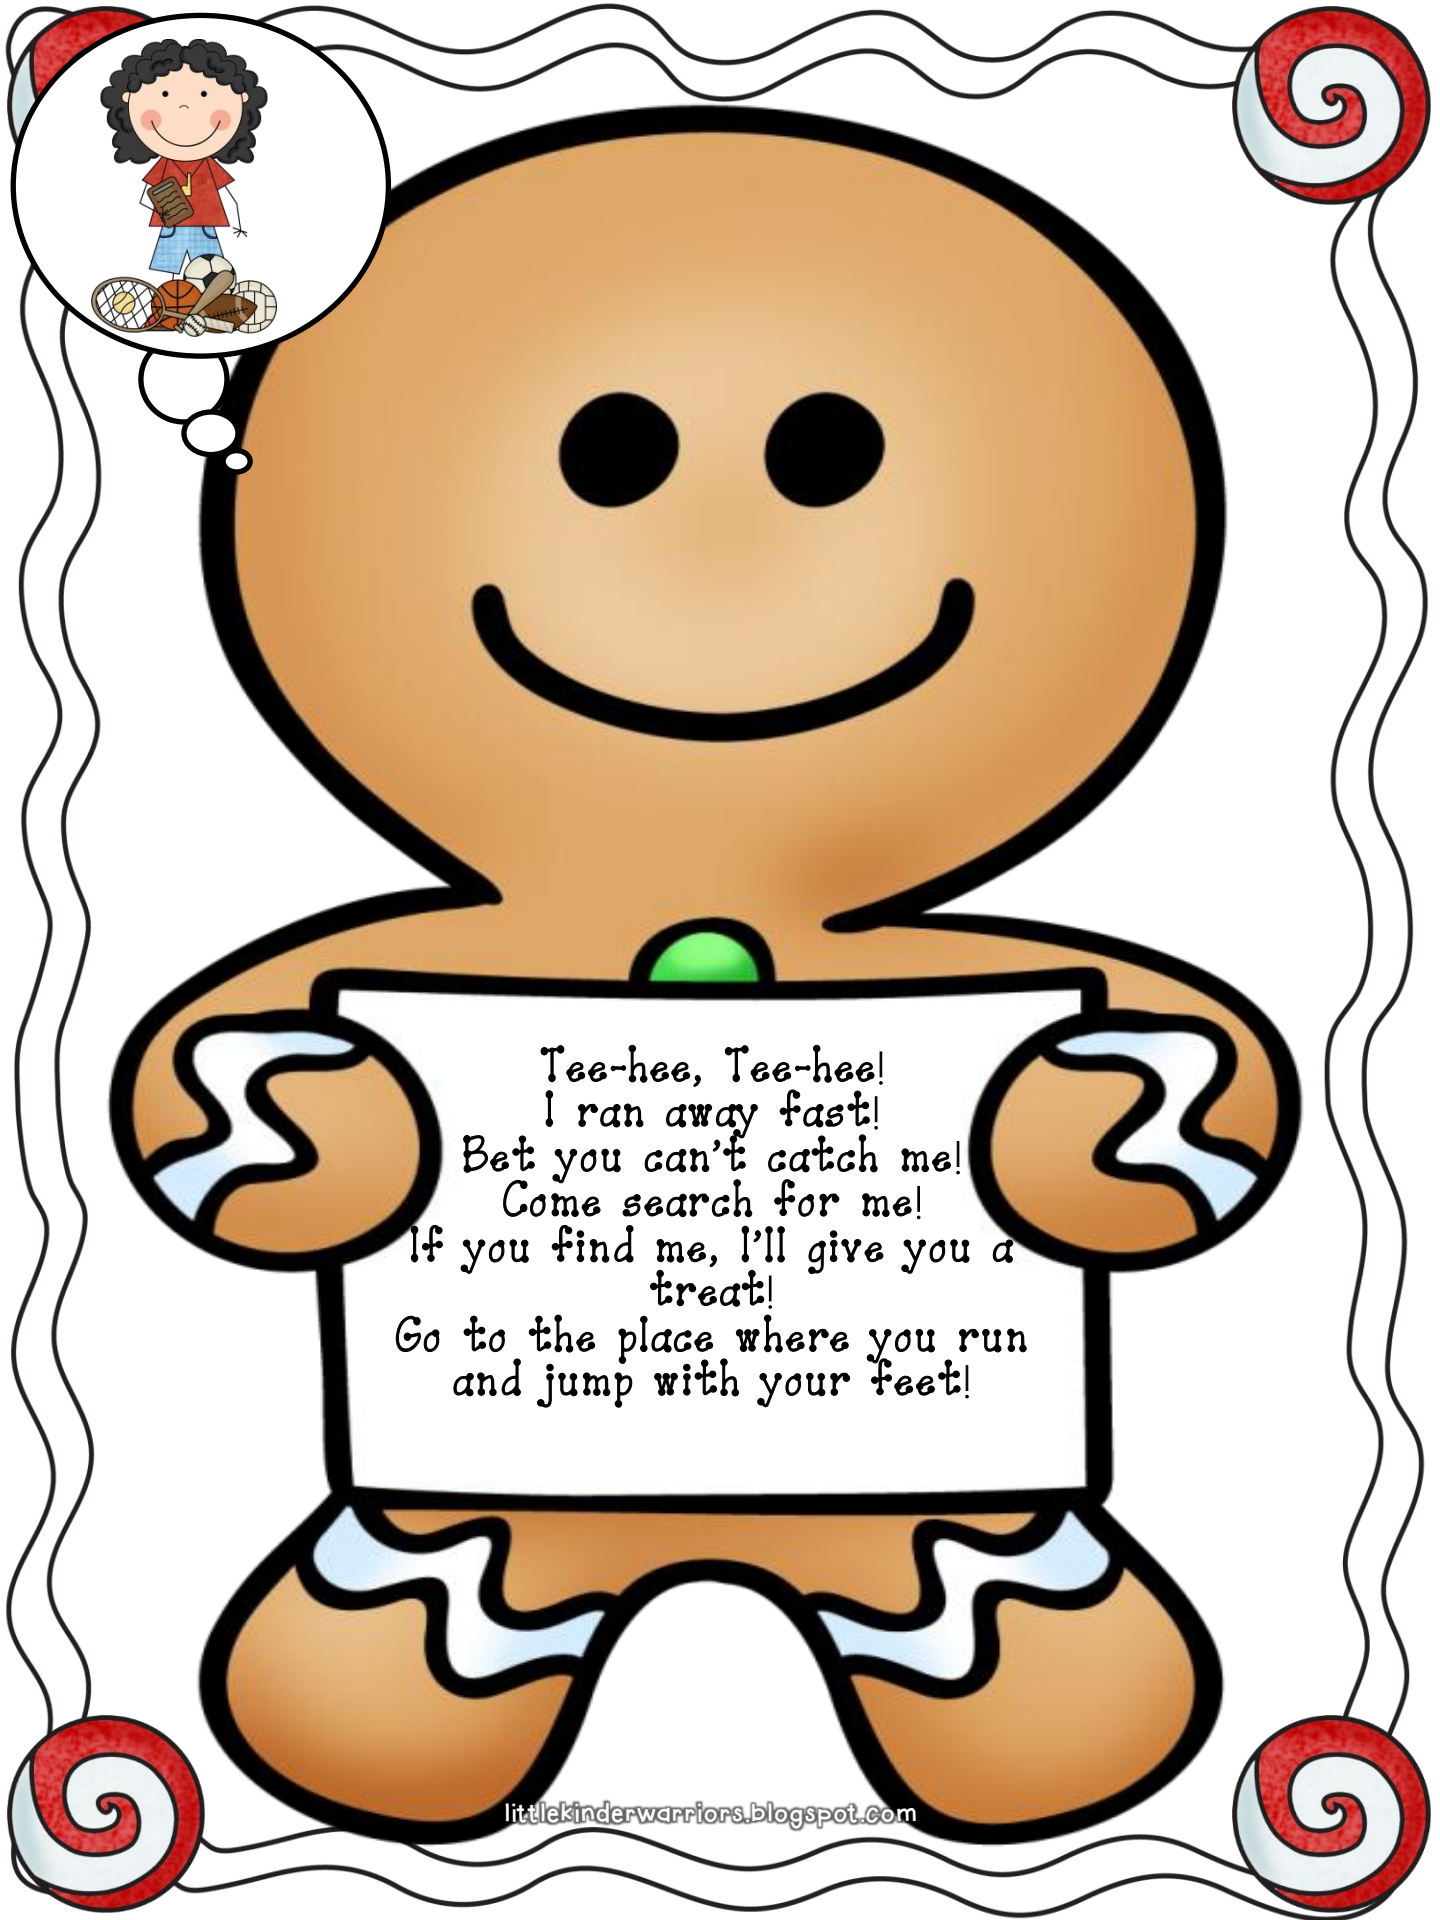

distribute the clues around the school before you go on your hunt.

Read the kids each clue and have them guess where they are supposed to look (there are small graphic clues in the top corner to help them if they need extra help 😊)

while you are on your hunt, have someone place the card that says "you found me" in your room along with the treats. when I do this activity, I bake a large, decorated gingerbread man (he's the one we have been chasing) and enough small gingerbread men for each student. They will then get to decorate their own g-man. (but, you could leave any kind of treat you'd like at the end 😊)

Have fun!!!!!!

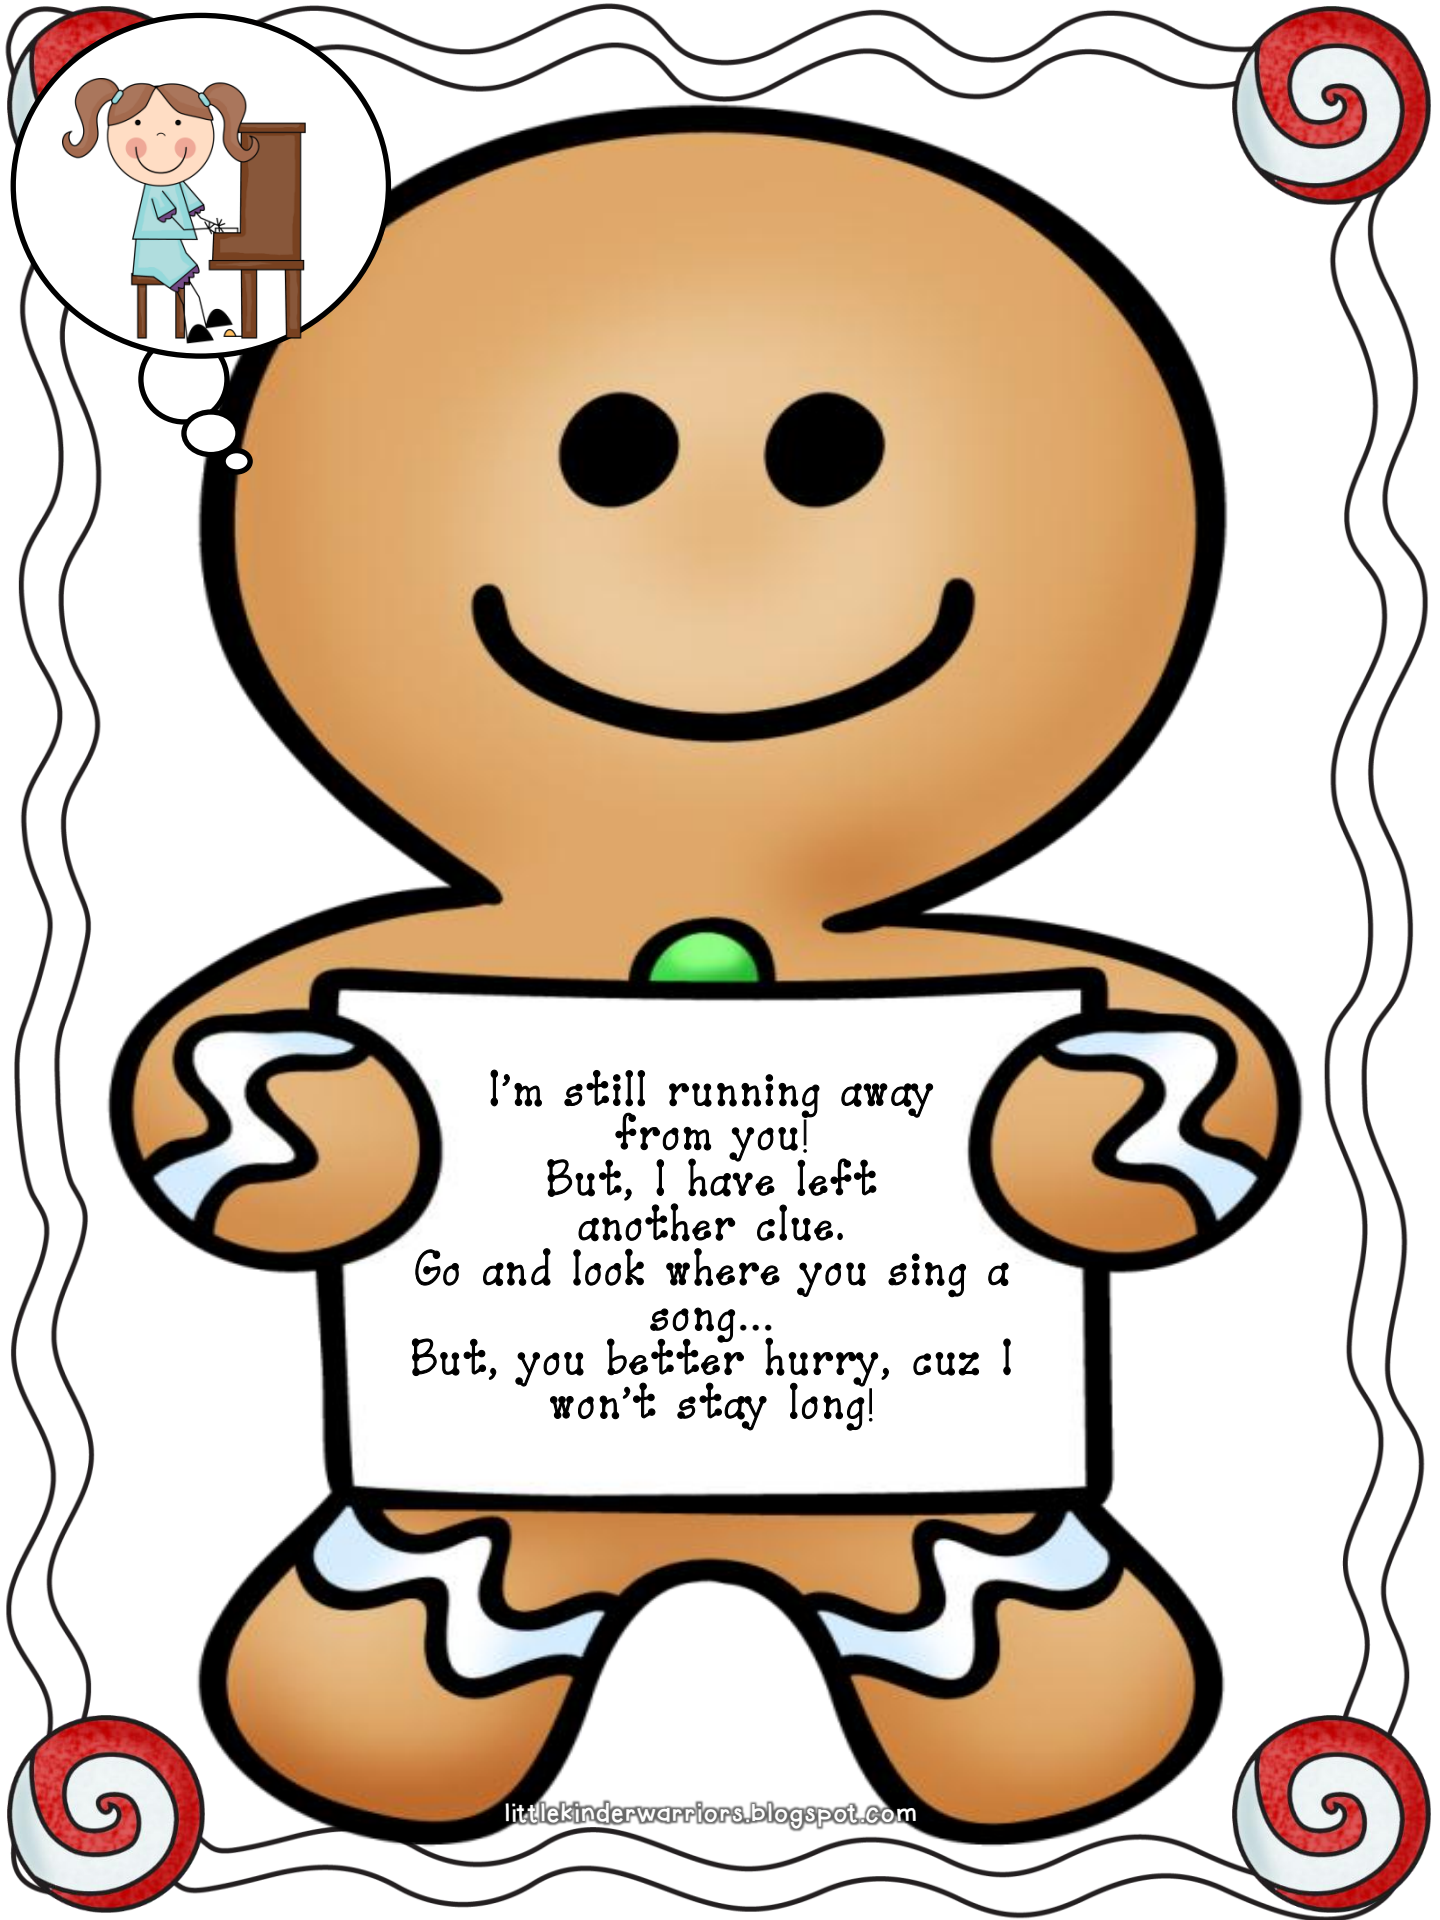

Tee-hee, Tee-hee!
I ran away fast!
Bet you can't catch me!
Come search for me!
If you find me, I'll give you a
treat!
Go to the place where you run
and jump with your feet!

I'm not here!
I tricked you well!
Where the treats are
I may never tell!
Go and ask the lady with the
friendly face who answers the
phone in a busy place.

I'm still running away
from you!
But, I have left
another clue.
Go and look where you sing a
song...
But, you better hurry, cuz I
won't stay long!

I was running and running
And I meant no harm-
But, I tripped and fell
And hurt my arm!
I went to the nurse who treated
me with care.
Come and look for me if you dare!

I'm not here anymore!
You're not fast enough!
Catching me is really
tough!

I went to type and "surf the
net."
Maybe you will find me yet!

You're getting close
To finding me-
But, there's a couple
More places that you
have to see.

Go to a place where you sit and
eat.

Maybe that is where we will
meet.

I'm getting sleepy from
Having this run!
I think that I am almost
Done!
I'm going to go lay down
And rest.
I'll go to your classroom cuz it's
the best.

You found me!!

Here's your
treat--

Lucky You!!

You did a
great job
following my
clues!

Enjoy!

THANK YOU!
