What will it be?

Groundhog, groundhog, please come out!  
If your shadow you see, more winter there will be.  
If no shadow is found, we'll see sprouts all around.

So, will the chill of winter remain?  
Or will it be spring, with flowers and rain?

Whatever the case,  
We want to see your face!

## What will it be?

Groundhog, groundhog, please come out!  
If your shadow you see, more winter there will be.  
If no shadow is found, we'll see sprouts all around.  
So, will the chill of winter remain?  
Or will it be spring, with flowers and rain?  
Whatever the case,  
We want to see your face!
