Activity Sheets

Cloudy with a Chance of Meatballs Cause and Effect	Use this sheet to help students identify the causes of the effects. Example answers... #1 The townspeople ate what the weather rained and they didn't have to go grocery shopping #2 The town was nearly flooded with maple syrup #3 The townspeople had to leave and move to another town.
Cloudy with a Chance of Meatballs Book News	In the box, have students draw a picture of the most exciting part of the book. Then have students write a short article about the most exciting part of the book.
Chance of Meatballs and Pickles to Pittsburg Venn Diagram	Use the diagram to compare and contrast how the books are alike and different.
The Marshmallow Incident Flip Book	Have students cut off the edges on the heavy black dotted line. Have students cut on the dotted line and fold on the black line. Students can either draw pictures or write about the story elements underneath each flap.
Marshmallow Graphing	Prepare bags of mini colored marshmallows for students to graph. Have them complete the graph.
Cloudy Stationary	Students may use this stationary to write their own "Cloudy" story.
Judi Barrett Literature Flip Book	Have students cut off the edges on the heavy black dotted line. Have students cut on the dotted line and fold on the black line. Have students illustrate the main event of each story.
My Favorite Judi Barrett Book	Have students follow the directions on the activity sheet.
