

Let's Go Shopping!

Teacher: This game reinforces counting money. Print game board on cardstock and then laminate.

How to Play: This is for 2-3 players. You will need one die (1-6), game pieces for each player, and plastic coins.

Players take turns rolling the die and moving along the game board.

When a player lands on a food item. He must count out that much money for the other players to check. If he is right, he gets to stay there. If wrong, he must go back to the space he was on. The first player to reach the end WINS!
