

# Gift Wrap

Santa's littlest elf has been busy wrapping Christmas presents. Write the answers to the questions below by reading the bar graph.

- How many presents is one  \_\_\_\_\_
- How many presents were wrapped on December 24? \_\_\_\_\_
- On which date were the most number of presents wrapped?  
How many presents is that altogether? \_\_\_\_\_
- What is the difference between the number of presents wrapped on December 22 and on December 18? \_\_\_\_\_
- How many total presents were wrapped on December 18, 19, and 20? \_\_\_\_\_
- On which dates were 60 presents wrapped each day? \_\_\_\_\_

**CHALLENGE:**

How many presents were wrapped altogether the whole week? \_\_\_\_\_
