

Where I Live

By _____

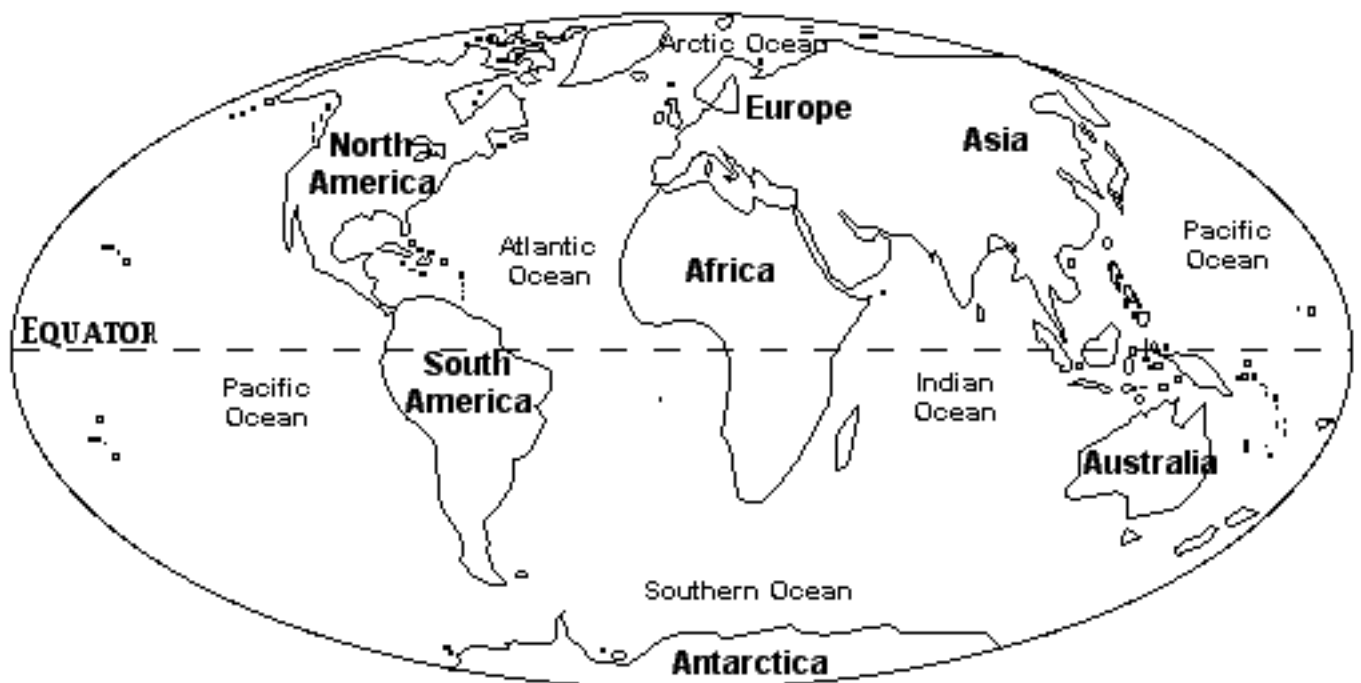

There are eight planets orbiting
the Sun in our Solar System.

I live on Earth, the 3rd planet.

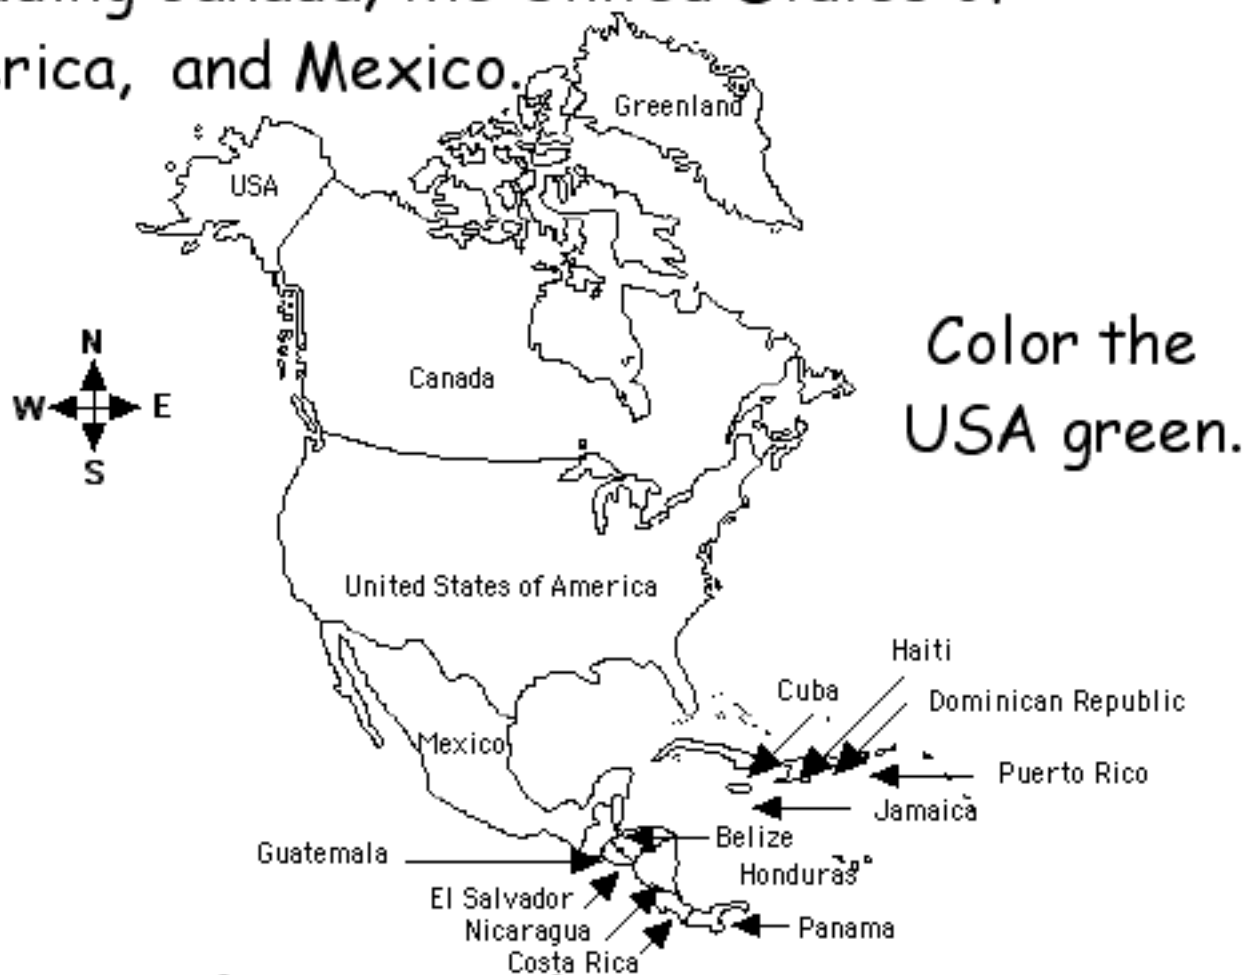

There are seven continents on Earth: Africa, Antarctica, Asia, Europe, Australia, North America, and South America.

Color the continent you live on green.

I live in North America.

There are many countries in North America, including Canada, the United States of America, and Mexico.

I live in the USA.

There are 50 states in the United States of America. Color your state green and write its name below.

I live in _____.

Draw your house or apartment.

My address is: _____
